

Module Information Sheet

A Brief Description

A fast, interactive quiz for 6 to 9 year olds.

Playing against the clock in a multiple-choice format, a breakdown at the end shows how you performed.

Compete against your friends to see who can hold the top four positions.

Instant sound and visual feedback keeps you in touch with how you are doing.

Tips on using “Whiz Quiz”

1. Log in with your name or nickname, then start the quiz.
2. Choose the correct answer from four presented for each question.
3. Answer sixteen questions as quickly as possible, remembering that you lose points for wrong answers.

Curriculum Information

General Knowledge drawn from all areas of the curriculum.
