

Writing Instructions

Choose two shapes, then use the Shape Designer Sheet to write instructions for Robee to create those shapes.

Level 3 Now create instructions for your own shape and test it on a friend.

QCA ICT Unit 2D - Routes: Controlling a floor turtle etc.
QCA ICT Unit 4E - Modelling effects on screen etc.
NNS Year 2 - P87 Use Mathematical vocabulary to describe position, direction and movement
NNS Year 2 - P89 Describe movements (in a straight line and turning) and understand angles as a measurement of a turn
NNS Year 4 - P110 Make turns: estimate, draw and measure angles; recognise rotations
